360Player is our New
All-in-One
Club Operating System for Modern
Clubs

WHY we're going digital!

Over the last decade **Sports Organisations** have evolved to a point where managing its processes and its people has become very challenging when using multiple systems and applications.

We will now POWER all these processes through one Membership Operating Platform to ensure the Staff, Players and Parents have the best digital tools available, and streamline our processes.

This **digital transformation** will help move us move forward and maximise the time our staff have available. The overall project is designed to make the organisation more efficient, support player development and you are all going to play a huge part in it's success

“What to expect”

All our Sports Operations located on one application

Quickly communicate throughout the whole organisation with push notification

- ✓ Automated attendance reporting
- ✓ Physical strain tracking from matches and practices
- ✓ Parents get notified and can interact on behalf of their children

Simplifying communication in every part of our club

Communicate seamlessly throughout your organisation. With the push of a button club directors can send information to hundreds or thousands of people at once, while coaches and players can discuss exactly what they need to with integrated chat tools.

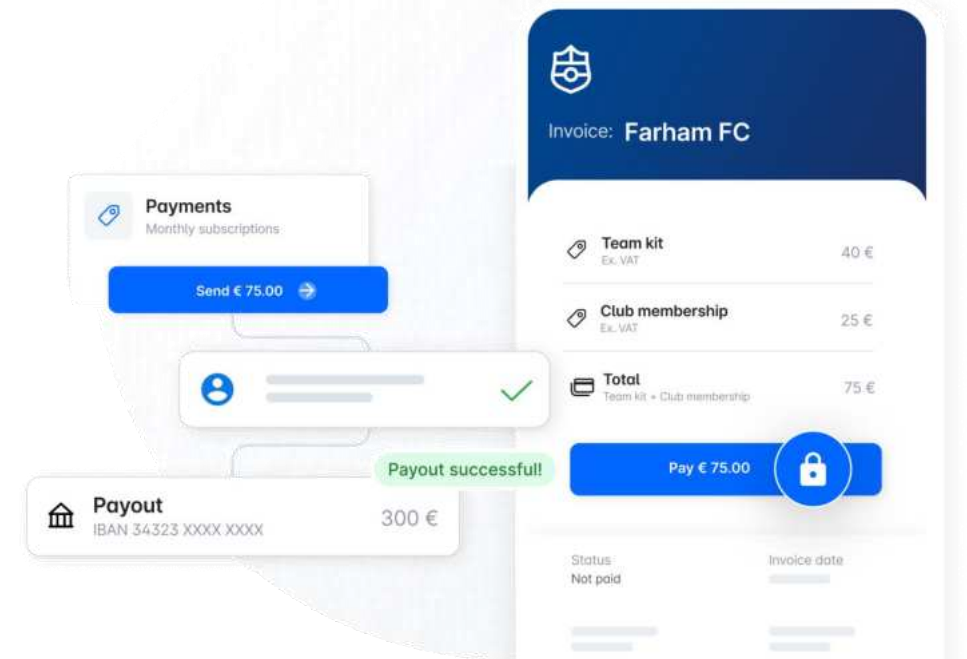

- ✓ Stay connected with built-in chat messaging and wall posts
- ✓ Plan and share methodology and content
- ✓ Send out 1000s of push notifications with the press of a button
- ✓ Safe and monitorable communication between adults and children

Payments built for our sports organisations

Manage payments and memberships for your organization automatically, creating new revenue opportunities for the club while lowering the administrative workload.

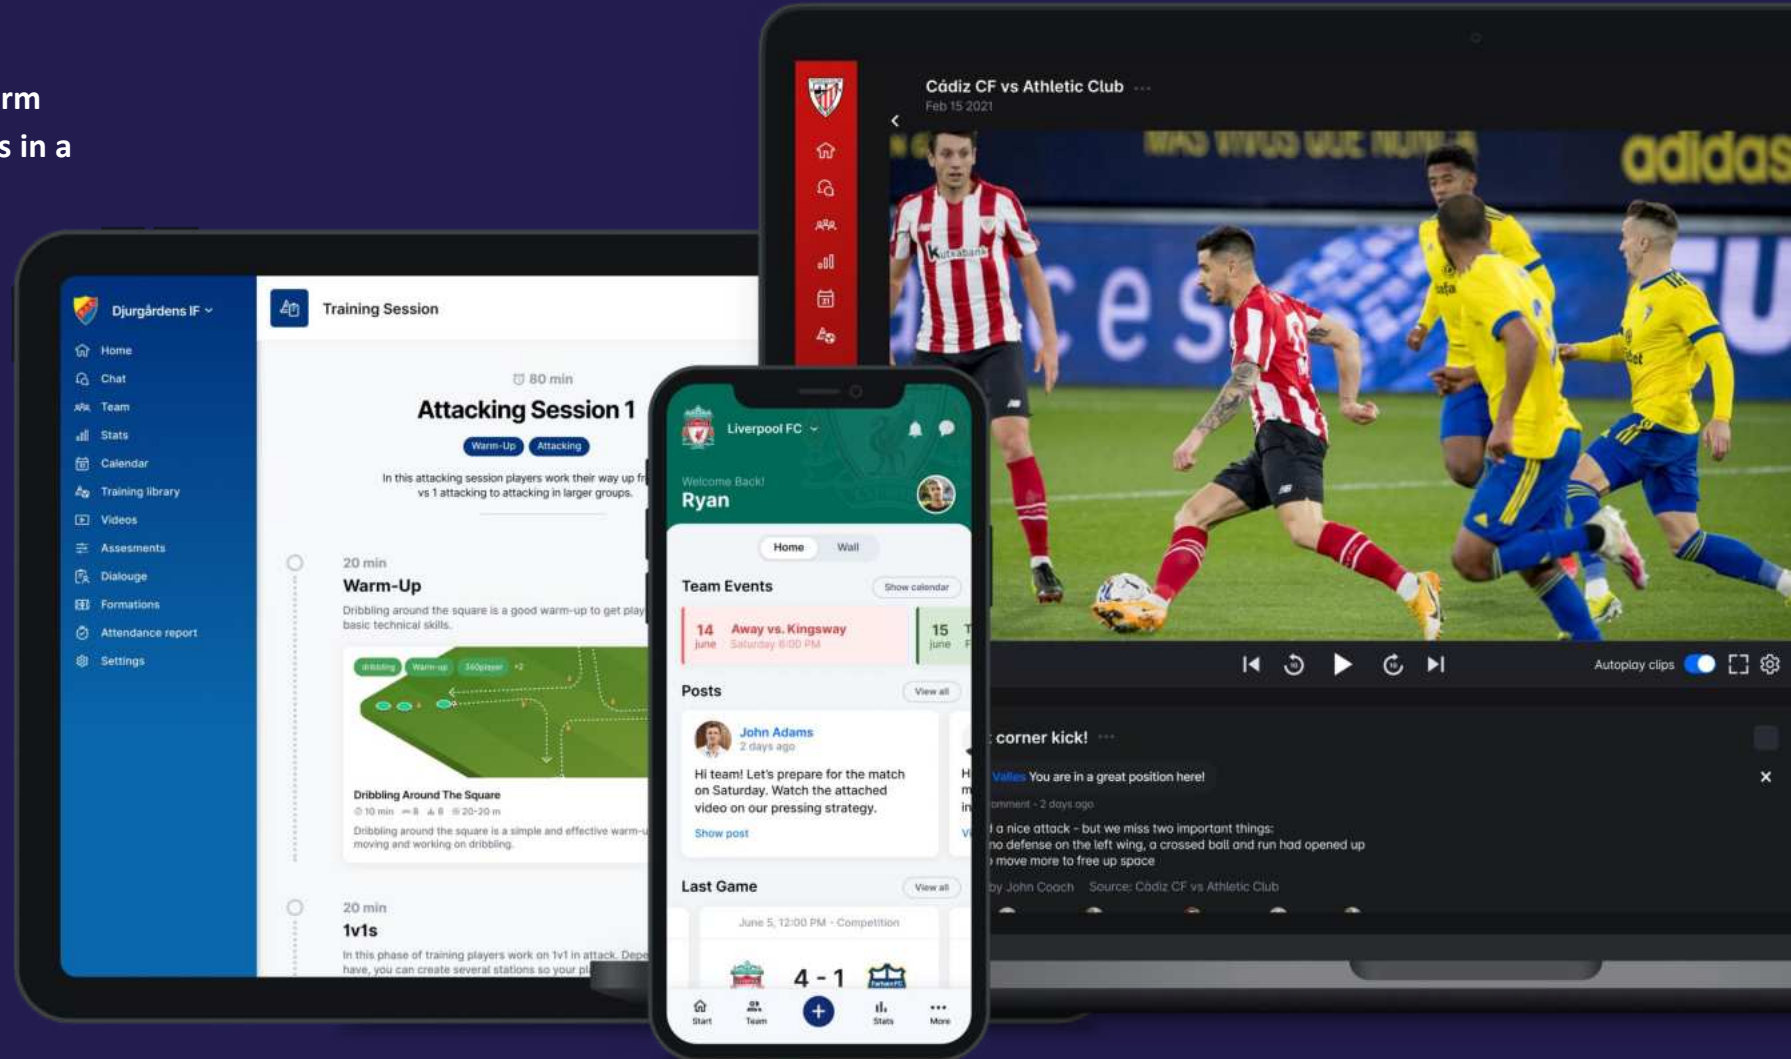

- ✓ Automate all club payments and billing with total control
- ✓ Handle any kind of product and price combination
- ✓ Keep all club contacts in one central system
- ✓ Real-time payment status updates

Consumer friendly Interface resulting in high engagement across all levels.

All our members will have access to the platform
which allows the clubs to manage the business in a
very effective way.

- ➔ Available on both
desktop and **mobile** app.
- Managed via **push**
➔ **notification**

We are making life easier
for clubs
all around the world
